What is Amazon KDP?

KDP (Kindle Direct Publishing) is Amazon's free platform where anyone can publish eBooks and paperbacks for sale worldwide. With AI StoryBooks, you can create illustrated children's books and publish them on KDP in a few easy steps.

Step 1: Create Your Amazon KDP Account

- Go to <https://kdp.amazon.com>
- Sign in with your Amazon account or create a new one
- Complete your author profile and payment information

Step 2: Prepare Your StoryBook

- Use AI StoryBooks to generate your complete book
- Export as a PDF for print (recommended size: 8.5x11 or 8x10 inches for children's books)
- Make sure text is readable and illustrations are clear

Step 3: Upload to KDP

- On your KDP dashboard, click "Create a New Paperback" or "Create eBook"
- Fill in book details (title, subtitle, description, keywords)
- Upload your PDF manuscript
- Upload a cover image (you can design one using Canva templates)

Step 4: Set Pricing

- Choose your royalty plan (35% or 70%)
- Set your price (children's books often sell for \$6.99–\$12.99)
- Choose territories (default: worldwide)

Step 5: Publish

- Click "Publish". Your book will be reviewed and usually goes live on Amazon within 72 hours.
- Add keywords parents might search: "bedtime story," "children's book about courage," etc.
- Create a series of books to increase sales potential
- Promote your book on social media, blogs, or YouTube to attract readers

With AI StoryBooks and Amazon KDP, you can build a passive income business while sharing creative stories with the world!
